PARENT PRESCHOOL SQUAD (PPS) Friday, 9/7 at 9am

Our PPS is a parent run group that help with school events, addressing concerns, fundraisers and more. You can contribute as much or as little time as you wish! We meet the first Friday of the month in the Fellowship Hall at the Church. Please join us!

LOOSE PARTS DRIVE!

We will be collecting loose parts during the month of September! We need things to upcycle such as wood scrap, plastic lids, corks, acorns, pine cones, shells, spools, nuts and bolts, pvc pipe, golf pegs, etc. Please see the Loose Parts donation center in front of Rooms 3 and 4 for more ideas!

FACEBOOK GROUP

An invitation to our private Facebook group was sent via email. Please join us to see daily photos posted by your teachers from your child's life at FPS!

TRIKE-A-THON!

9/13 & 9/14 @9am

The trike-a-thon is one of our two big fundraisers of the school year! The children bring a trike, bike or scooter and a helmet from home and see how many laps they can do around our parking lot. If they do not have a bike at home they are welcome to borrow one of ours. Pledges are gathered from family and friends and the parking lot is safely blocked off for that day. We also have a bake sale that is made possible by donation of baked goods. It is a lot of fun and we always need volunteers for this event. Please see flyer in your child's mailbox.

REMIND

We use the REMIND text app to communicate school wide important information. Miss Marci sent out invitations to all families. If you have not joined, please do.

PICTURE DAYS

9/27 and 9/28

Lifetouch photography will be here to take our Fall pictures on these two days. More information will be distributed soon.
